YUKON ANNUAL STATISTICAL REVIEW

2008

Yukon Statistical Review

2008 Annual Report

July 2009

**The Yukon Government
Executive Council Office
Bureau of Statistics**

FOREWORD

The **Yukon Statistical Review - 2008 Annual Report** is published by the Yukon Bureau of Statistics as a companion to the **Monthly Statistical Review**. Data presented originate from government, industry and private sources.

Data for a particular year are published in the following year. Our production schedule is subject to the availability and release of data.

The Yukon Bureau of Statistics wishes to acknowledge the Yukon business community, among others, for its contribution to the data collection process.

Population

Yukon's Population from 1998 to 2008

Between 1998 and 2008, the Yukon's average population increased 1,162, or 3.6%. This yields an annual average population increase of approximately 0.4%.

From 2007 to 2008 the highest percentage population increase occurred in Mayo (13.7%). Over the same period, Destruction Bay experienced the largest percentage decline (-12.3%). The change in the total population of the Yukon from 2007 to 2008 was 1,102 additional people, an increase of 3.4%.

See pages 13-17 for detailed data.

Migration

	In	Out	Net Change		In	Out	Net Change
2008	1,947	1,430	517	2002 (r)	1,478	1,587	-109
2007 (r)	1,785	1,520	265	2001 (r)	1,273	1,605	-332
2006 (r)	1,354	1,402	-48	2000 (r)	1,257	1,892	-635
2005 (r)	1,476	1,500	-24	1999 (r)	1,384	1,956	-572
2004 (r)	1,464	1,418	46	1998 (r)	1,620	2,715	-1,095
2003 (r)	1,545	1,056	489				

Migration to and from the Yukon has fluctuated over the last 6 years after 5 consecutive years of net loss (1998 to 2002). The net gain in 2008 was 517 people. In 2006, the net gain was 265 people.

See page 18 for detailed data.

Births and Deaths

	Births	Deaths
2008	361	193
2007	358	174
2006	368	174
2005	314	163
2004	382	159
2003	333	134
2002	349	144
2001	349	133
2000	378	153
1999	382	131
1998	400	142

* The average number of births per year in the Yukon from 1998 to 2008 was 361.

* The average number of deaths per year in the Yukon from 1998 to 2008 was 155.

In 2008, there were 361 births in the Yukon. The average annual number of births between 1998 and 2008 was also 361. The number of deaths has been steadily increasing over the last 5 years, as would be expected with the Yukon's aging population. The 193 deaths in the Yukon in 2008 marked the highest number since the Vital Statistics database began in 1978.

See page 19 for detailed data.

1998	400	142

* The average number of births per year in the Yukon from 1998 to 2008 was 361.

* The average number of deaths per year in the Yukon from 1998 to 2008 was 155.

- In 2008, there were 361 births in the Yukon. The average annual number of births between 1998 and 2008 was also 361. The number of deaths has been steadily increasing over the last 5 years, as would be expected with the Yukon's aging population. The 193 deaths in the Yukon in 2008 marked the highest number since the Vital Statistics database began in 1978.

See page 19 for detailed data.

In 2008, the Yukon's annual unemployment rate was 5.0%. This was down slightly from the 2007 figure of 5.2%. The 2006 figure of 4.5% was the lowest annual average since the Labour Force Survey began in the Yukon in 1992.

See page 21 for detailed data.

Total government employment in 2008 averaged 6,016 in the Yukon. Of this number, 610 worked for the federal government, 4,405 for the territorial general government, 352 for territorial Health and Social Services and 649 for municipal governments. The total figure represents a 5.4% increase from 2007, when there was a total of 5,710 employees.

See page 26 for detailed data.

Average weekly earnings in the Yukon in 2008 were \$856.60 (including overtime). This represents an increase of \$7.13, or 0.8%, over the 2007 average of \$849.47.

See pages 28 & 29 for detailed data.

In 2008, the average number of EI beneficiaries in the Yukon each month was 1,094. This represents an increase of 7, or 0.6%, compared to the 2007 average of 1,087.

See page 33 for detailed data.

Employment Insurance Beneficiaries

	Total Beneficiaries	Annual % Change		Total Beneficiaries	Annual % Change
2008	1,094	0.6	2002	1,274	9.1
2007	1,087	-1.5	2001	1,168	-3.6
2006	1,104	-8.5	2000	1,212	-10.8
2005	1,206	-2.9	1999	1,359	-11.1
2004	1,242	-4.0	1998	1,529	2.1
2003	1,294	1.6			

Whitehorse Inflation Rate

From 1998 to 2008, Whitehorse's annual average inflation rate fluctuated from a high of 3.6% in 2008 to a low of 0.7% in 2002. The 2008 figure of 3.6% marked the second year since 1998 that Whitehorse's rate of inflation was higher than Canada's. The average annual rate of inflation in Whitehorse between 1998 and 2008 was 1.8%, while the rate for Canada was 2.1% for the same time period.

See page 38 for detailed data.

Community Spatial Price Index

Total Survey Items Index as of October 2008

Whitehorse = 100

In comparison to Whitehorse (at 100.0), the weighted average index of total items included in the October 2008 survey ranged from a high of 218.8 in Old Crow to a low of 107.9 in Teslin. This means that you would expect to pay 118.8% more in Old Crow and 7.9% more in Teslin than you would pay for the same total items purchased in Whitehorse.

See page 43 for detailed data.

Whitehorse Gas Prices

Regular Unleaded, Self-serve Gas Prices

In 2008, the average price of regular unleaded, self-serve gas in Whitehorse was 125.3 cents/litre. This represents an increase of 12.5 cents/litre, or 11.1%, over the 2007 figure of 112.8, and an increase of 58.1 cents/litre, or 86.5%, over the 1999 average of 67.2 cents/litre.

See page 44 for detailed data.

HIGHLIGHTS

- In 2008, the Yukon's annual unemployment rate was 5.0%. This was down slightly from the 2007 figure of 5.2%. The 2006 figure of 4.5% was the lowest annual average since the Labour Force Survey began in the Yukon in 1992.

See page 21 for detailed data.

- Total government employment in 2008 averaged 6,016 in the Yukon. Of this number, 610 worked for the federal government, 4,405 for the territorial general government, 352 for territorial Health and Social Services and 649 for municipal governments. The total figure represents a 5.4% increase from 2007, when there was a total of 5,710 employees.

See page 26 for detailed data.

- Average weekly earnings in the Yukon in 2008 were \$856.60 (including overtime). This represents an increase of \$7.13, or 0.8%, over the 2007 average of \$849.47.

See pages 28 & 29 for detailed data.

- In 2008, the average number of EI beneficiaries in the Yukon each month was 1,094. This represents an increase of 7, or 0.6%, compared to the 2007 average of 1,087.

See page 33 for detailed data.

Whitehorse Inflation Rate

HIGHLIGHTS

From 1998 to 2008, Whitehorse's annual average inflation rate fluctuated from a high of 3.6% in 2008 to a low of 0.7% in 2002. The 2008 figure of 3.6% marked the second year since 1998 that Whitehorse's rate of inflation was higher than Canada's. The average annual rate of inflation in Whitehorse between 1998 and 2008 was 1.8%, while the rate for Canada was 2.1% for the same time period.

See page 38 for detailed data.

Community Spatial Price Index

Total Survey Items Index as of October 2008

Whitehorse = 100

In comparison to Whitehorse (at 100.0), the weighted average index of total items included in the October 2008 survey ranged from a high of 218.8 in Old Crow to a low of 107.9 in Teslin. This means that you would expect to pay 118.8% more in Old Crow and 7.9% more in Teslin than you would pay for the same total items purchased in Whitehorse.

See page 43 for detailed data.

Whitehorse Gas Prices

Regular Unleaded, Self-serve Gas Prices

In 2008, the average price of regular unleaded, self-serve gas in Whitehorse was 125.3 cents/litre. This represents an increase of 12.5 cents/litre, or 11.1%, over the 2007 figure of 112.8, and an increase of 58.1 cents/litre, or 86.5%, over the 1999 average of 67.2 cents/litre.

See page 44 for detailed data.

HIGHLIGHTS

From 1998 to 2008, the average Whitehorse median rent has remained extremely stable. Despite minor fluctuations, the median rent has increased by only \$48, from \$671 in 1998 to \$719 in 2008.

Comparing 1998 to 2008, Porter Creek saw the largest increase in median rent, rising \$135, or 24.4% from the 1998 figure of \$553. Hillcrest was the only subdivision in which the median rent decreased, dropping \$6, or 0.9% from the 1998 figure of \$695.

See page 45 for detailed data.

Real Estate Sales

Number of Real Estate Transactions in Whitehorse

Whitehorse Average House Prices

HIGHLIGHTS

- From 2000 to 2007 the value of real estate sales in the Yukon generally increased from a low of \$99.8 million in 2000 to a record high of \$198.3 million in 2007. In 2008, sales dropped to \$179.8 million. The average annual value of real estate transactions in the Yukon from 1998 to 2008 was \$136.5 million.

See page 48 for detailed data.

- From 1998 to 2008, the number of real estate transactions in Whitehorse fluctuated from a low of 390 in 1999 to a high of 742 in 2004. In 2008, there were 522 transactions. This was a decrease of 114 transactions, or 17.9%, over the 2007 figure of 636.

See page 49 for detailed data.

- Between 1998 and 2001, there was very little change in the average selling price for single houses in Whitehorse. Since 2001, house prices have increased steadily, reaching the record high of \$325,400 in 2008. The 2008 figure represents an increase of \$42,300, or 14.9%, over the previous record of \$283,100 which was set in 2007.

See page 50 for detailed data.

2008 Yukon Statistical Review

HIGHLIGHTS

Gold Prices and Production Value

HIGHLIGHTS

Comparing 1998 to 2008, the annual average Canadian dollar value of a troy ounce of gold has increased \$500.69, or 114.3%. In 2008, the annual average price of a troy ounce of gold was 938.84 (Canadian dollars). This is an increase of \$190.68, or 25.5%, over the 2007 value of \$748.16.

SCdn / troy oz	SCdn / troy oz
2008 938.84	2002 491.31
2007 748.16	2001 420.67
2006 691.34	2000 411.45
2005 541.76	1999 414.95
2004 531.62	1998 438.15
2003 510.48	

See pages 54 and 57 for detailed data.

Net Volume of Roundwood Harvested

2007 marked the lowest volume of timber harvested in the Yukon since at least 1990. The large volume of timber harvested throughout the 1990's was largely due to the sawmill in Watson Lake.

See page 57 for detailed data.

Fur Production

2007	\$388,979
2006	\$428,810
2005	\$241,219
2004	\$281,612
2003	\$208,582
2002	\$194,528

Appendix - Statistical Tables

Table Guide

Statistics presented in each table of the Review provide a monthly, quarterly and annual summary of information. When monthly data are available, statistics are displayed for the preceding fifteen months. The latest twelve months are highlighted.

Quarterly data are located immediately below the monthly figures. In general, quarterly data are either the average of the monthly statistics or, as appropriate, the sum of monthly data. Quarterly statistics cover a three-month period. The latest four quarters are highlighted.

At the bottom of the table annual figures are displayed. Depending on the statistics presented, annual data may be either the average or the sum of monthly data. Previous years of data are presented, with the latest year highlighted.

Below the annual data the source of the data and, as appropriate, notes regarding the table are detailed.

Notes: The public sector includes employees in public administration at the federal, provincial, municipal and First Nation levels, as well as in Crown corporations, liquor control boards and other government institutions such as schools (including universities), hospitals and public libraries. The private sector comprises all other employees and self-employed owners of businesses (including unpaid family workers in those businesses), and self-employed persons without businesses. Monthly and quarterly figures are based on 3-month moving averages.

Source: Statistics Canada, Focal Points Labour Force Survey CD, monthly and annual tables.

Notes: The public sector includes employees in public administration at the federal, provincial, municipal and First Nation levels, as well as in Crown corporations, liquor control boards and other government institutions such as schools (including universities), hospitals and public libraries. The private sector comprises all other employees and self-employed owners of businesses (including unpaid family workers in those businesses), and self-employed persons without businesses. Monthly and quarterly figures are based on 3-month moving averages.

*Due to source change, figures have been revised back to 1998 and are therefore not comparable to previous publications.

**Total permits do not include permits issued for wood stoves or plumbing.

Notes: Monthly and quarterly figures may not sum to annual totals due to revisions to monthly figures. "New" refers to permits issued for new residential building units. "All" refers to the total of all types of residential permits issued.

Source: Statistics Canada, Distributive Trades Division

Notes: Retail Sales estimates exclude the Goods and Services Tax (GST). Retail and wholesale trade data collected by Statistics Canada are classified according to the North American Industry Classification System (NAICS 2002).

*Other Trade Groups is equal to total sales minus the trade groups listed. Other Trade Groups includes: Furniture, Home Furnishings and Electronics Stores, Building and Outdoor Home Supplies Stores, Pharmacies and Personal Care Stores, General Merchandise Stores, and Miscellaneous Retailers, which are not released separately by Statistics Canada due to confidentiality constraints. Therefore, current data cannot be compared with data in previous Yukon Bureau of Statistics Annual Reports.

Source: Statistics Canada, Distributive Trades Division.

Notes: Retail Sales estimates exclude the Goods and Services Tax (GST). Retail and wholesale trade data collected by Statistics Canada are classified according to the North American Industry Classification System (NAICS 2002).

*Other Trade Groups is equal to total sales minus the trade groups listed. Other Trade Groups includes: Furniture, Home Furnishings and Electronics Stores, Building and Outdoor Home Supplies Stores, Pharmacies and Personal Care Stores, General Merchandise Stores, and Miscellaneous Retailers, which are not released separately by Statistics Canada due to confidentiality constraints. Therefore, current data cannot be compared with data in previous Yukon Bureau of Statistics Annual Reports.

Definitions:

CONSUMER BANKRUPTCY:

Identified as being a bankruptcy where an individual has not incurred liabilities as a result of a business venture or where liabilities attributable to a business venture constitute less than fifty percent of the total liabilities owed.

BUSINESS BANKRUPTCY:

Identified as being a bankruptcy which is chiefly attributable to the liabilities incurred as a result of the carrying on of a commercial venture or business and includes proprietorships, partnerships and limited companies.

PROPOSAL:

Identified as being a proceeding under the Bankruptcy Act whereby the debtor, with the approval of his creditors and the Court, is granted a composition of his debts, an extension of time to pay his debts or a schema of arrangement to otherwise satisfy his creditors.

CAVEAT:

All statistical tabulations having "assets" and "liabilities" as part of their information variables reflect the amounts as they were declared by the debtors in the course of completing their sworn "Statements of Affairs."
